

NOTE: This is not a BCWRD meeting, it is posted as 3 or more of the board members may be present.

You are invited to an informational meeting to be held in **Bismarck on December 13th at 10 a.m. CT** at the **Bismarck City Public Works Building**, located at 601 S 26th St. The purpose of this meeting is to formally kick-off the Burleigh County FEMA Risk MAP floodplain mapping effort. We will be discussing Project Scope, Overview of the Study, Project Schedule and Milestones.

The North Dakota State Water Commission is FEMA's state partner in their Risk MAP program, and has contracted with Houston Engineering to perform the technical study work.

The meeting will consist of Houston Engineering giving a short PowerPoint presentation providing an overview of the mapping effort, followed by an opportunity for participants to ask questions. The meeting should last about an hour.

Please feel free to forward this invitation to others who may be interested in attending.

Thank you for your time,
